

VERMONT CONSERVATION PLAN REGIONAL LISTENING SESSIONS

FEBRUARY & MARCH 2026

VERMONT
CONSERVATION
PLAN

We look forward to some great discussions and insights as our stakeholders come together to discuss the future of conservation in Vermont!

4:00 - 5:00 | OPTIONAL OPEN HOUSE & NETWORKING HOUR

Prior to the official listening session, join us for an informal networking hour. We will have registration tables and there will be food available to help fuel the discussions. The project team will be available to help answer questions.

SESSION AGENDA

5:00 - 5:30 | UPDATE ON THE VCP PROCESS

5:30 - 7:00 | DISCUSSION AND REGIONAL INPUT

After the update, we'll shift into conversation. The remainder of the evening will be interactive and discussion-based, with time at tables to explore an updated draft of the Act 59 plan that now includes proposed actions. We're eager to hear how conservation shows up in your region, what excites you, what questions you have, and what you hope to see reflected as the plan continues to take shape.
